

DELEGATE'S CORNER

GSRs – let the fun begin.

If you go to cnca06.org/confidential and enter in the password 1935, you can scroll down and click on 2025 Agenda Topics Items (in red). Then, click on the language folder of your choice. Here, you will find a folder with background information for every agenda item. There are also several helpful PDFs. The agenda Topics timeline lists dates and addresses you may need for your calendar. There is a pdf called General Service Conference Inventory Questions, which contains 19 questions that the Conference will use to take their inventory this year. If you or your group has any input, we will have a sharing session with time to hear you at the end of the morning business meeting at the Pre-Conference Assembly on Saturday, April 5th. There is a pdf entitled 75th Conference Project Cost Estimates, which you may want to show your group so they have an understanding of what the cost is when we decide to move forward with an agenda item. There is a table of contents that links to each committee's background and an explanation of how to deliver your group's conscience. I am on the public information Committee, and there is a flyer with QR codes for easy access to all the virtual media in the Public Information section. Let's get our groups excited about sharing their voice, and I am so excited to see all of you in Alaska for the Pacific Region Alcoholics Anonymous Service Assembly, and then again for a weekend of enlightenment in Santa Cruz for the Pre-Conference Assembly.

Thank you for turning darkness into light!
