

Chair Preview

March 2025

Month three of the panel and we are starting to get some work done! At the ACM last month, we accepted a bid for the 2025 Summer Assembly to be hosted by District 40 in San Jose. By the time you read this, all the Agenda Topics, Background Material, and Summaries will be in your hands, and I know your Agenda Topics Workshops, sharing sessions, group discussions have begun!

I remember my first Preconference Assembly in 1998. I was confused, a bit intimidated, but utterly fascinated. I remember seeing the Chair call hundreds of people to the microphones and the Delegate focused on every word from the stage. What struck me was the heart-felt sharing from the GSRs and the trust and love they had for the Delegate and the process itself. That day changed me, and I cannot wait to be a part of that day for us in Santa Cruz in just a few weeks!

District 04 and our Area got a shout out in the latest issue of Box 459 (see page 3). Now the whole fellowship of AA will get to a look at the awesome work they did on their district website (<https://district04cnca.org/plbb-timeline/>). This is another example how the service work we do at our districts can have an impact across AA. Here is the link to the current issue of Box 459: https://www.aa.org/sites/default/files/newsletters/F-36_winter2025.pdf
https://www.aa.org/sites/default/files/newsletters/SF-36_winter2025.pdf

At the ACM in March, we will have an interesting presentation of new business from District 1, as well as our discussion of two motions of old business. Also, you will see our final flier for the Preconference and a shiny new flier for the Post Conference.

Yours in Love & Service,

Drew B.
