

Chair Preview: April 2025

The first Assembly of Panel 75 is in the books, and it was legendary! From being the first CNCA Assembly held in downtown Santa Cruz, to the “pink” performance of the former Delegates, the Preconference Assembly lived up to the hype. Our Districts in the south (3 & 19) delivered tasty food and marvelous hospitality and we even had a spontaneous dance party invasion from the YPAAs!

Everyone I spoke to was electrified by the spirit of service and now all eyes shift to our Delegate Chitra as she carries our collective voices to the 75th General Service Conference in New York. We will get all details from her in San Francisco on May 17th at the Post Conference Assembly.

At the Area Committee Meeting last month, we voted on two motions and voted to move a presentation of new business to the Assembly. At the assembly, we heard three presentations of new business which all will become new business at the Post Conference in May.

In General Service, the first few months of the year are intense. We get the final topics and the summaries, hold our Agenda Topic workshops and sharing sessions and then BOOM, it’s the Preconference Assembly. Now we can shift into the next phase of our year, where our Fellowship closes the loop, and we get to find out about the near and far future plans for AA. It is springtime now, a time for new growth and beginnings and this is true as we all practice our Third Legacy together.

“The first bud of spring sings the other seeds into joining her uprising.”

— **Amanda Gorman**

With Love & Service,

Drew Baker

Area Chair

CNCA 06, Panel 75
